		<p>Reach Beyond comes to you! Russell Grainger and Margaret Thatcher travelled to Matamata last month, and had a great time putting faces to names, and sharing about the work and opportunities with RB worldwide, with the Young @ Heart group at the Matamata Bible Church. This could be <i>your</i> group! Let us know when is good for you!</p>		<p>1 With all the unrest in Myanmar, please pray for our programme partners in that country - safety for them and their families, guidance, and that production of radio content in the Matu language would not be interrupted.</p>	<p>2 This Good Friday, we celebrate Jesus' completed work on the cross. Pray for all our broadcasts and media, as they communicate this amazing truth - for clear radio signals, uninterrupted Internet media...and open hearts.</p>	<p>3 Today, let's pray for a lady who manages a Christian radio station in Southern Sudan, who has reached out to RB for training and broadcast support. Pray for wisdom so we can help, or link her to the help she needs.</p>	
<p>4 Again, the Easter message is being communicated through media today. Pray the incredible news of our Saviour who rose from death, would capture the hearts of those who hear it for the first time...and the thousandth time!</p>	<p>5 Alex Weir asks prayer for our Central Asian partner working with a local architect to obtain building consents for remodelling work on a medical Clinic. Pray for God's provision through this whole process.</p>	<p>6 We thank God for another successful outreach journey for our two young contacts in North Africa. Pray the messages shared and the Bibles (gifted by NZ supporters) given away will have a great impact in peoples' lives.</p>	<p>7 Abbey Grainger asks prayer for patience and wisdom as she works with our donor software system to create, print and mail tax receipts for 2021. Pray that any problems that may arise can be easily fixed.</p>	<p>8 Pray for RB NZ's Radio App ministry to the Aztec Language speakers of central Mexico. May people be inspired and souls saved as we help our radio partner broadcast the Gospel in the Nahuatl Language.</p>	<p>9 We give thanks that Janice Reid is now settling back into life in NZ. Pray for effective church deputation meetings, that begin today.</p>	<p>10 Praise God for new radio stations in Sierra Leone and Cameroon. Pray for wise programming, empathetic hosts, strong signals, radios to tune to the stations and open hearts to receive.</p>	
<p>11 Pray for missionary nurse Hannah in Asia Pacific, as she learns a new language in order to work more effectively with pregnant women in an unreached refugee people group in the area where she lives.</p>	<p>12 Pray for Dale and the team at RB in Melbourne, as partial lockdown rules only allow 75% of staff on site. Pray strength and patience on the others as they work from home, as this can be quite frustrating.</p>	<p>13 Today we pray for Russell Grainger. Pray for peace and incredible wisdom as he oversees both a suburban church ministry and Reach Beyond NZ, as well as being a Dad!</p>					<p>Contact Reach Beyond New Zealand Mail: PO Box 97-610, Manukau City 2241 Phone: 0800-REACH-1 (0800-732-241) Email: office@reachbeyond.nz Web: www.reachbeyond.nz Facebook: reachbeyondnz Instagram: @reachbeyondnz Bank: ASB 12-3453-0045811-00</p>

	<p>Thank you for your prayer and support for the Bibles for North Africa project. The generosity of Reach Beyond NZ supporters allowed us to supply 196 Bibles to be distributed in a town outside the capital city of this country. Please continue to pray with us that these Bibles will not be left on the shelf to gather dust, but will be cherished and read. Pray that as the recipients read, the Holy Spirit will make the Word come alive!</p>		<p>14 We give thanks for good health for Adrian Olney, National Relations Manager at RB AU after surgery last year. Pray peace for him and Donna (also RB staff) and pray for a clean bill of health as he has another check up today.</p>	<p>15 Alex invites us to pray for the Voz y Manos ministries (Reach Beyond Ecuador) with the upcoming changes and logistics of moving offices. Pray programmes will be useful for learning English & also for learning how God is working in the world.</p>	<p>21 RB NZ has a flourishing ministry creating affordable mobile apps for partner radio stations. Pray a blessing on their family and business lives, especially as they operate in this difficult Covid economy.</p>	<p>23 We continue to pray for RB AU's new broadcast season (A21) which started late March. Pray the signal would be strong, and that the programme schedule will have maximum impact with listeners.</p>
<p>25 As we celebrate ANZAC Day, thank God for the unity and shared vision between the RB AU & NZ offices, as we work together on ministry projects serving the wider world, and bring many in to Christ's kingdom.</p>	<p>26 This has been a very trying year for our Asia Pacific team, with ministry restricted by Covid, visa issues and staff losses. Pray God's refreshing on all who have been serving there, and renewed ministry opportunities.</p>	<p>27 We rejoice that Radio Jeewan Dhaara in Sth Auckland has become a weekly fellowship group, run by newly ordained Dolly & Christopher!
