

NZ PRAYER WORLD September 2020

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	<p>A solar light pole in a village in Ghana, installed by our ministry partner Theovision. You can see the solar panel, street lamps, speakers and a small blue box near the top to house the Sheep Station, which is sent from RB NZ.</p>	<p>1 Pray as RB NZ works with our partner in Ghana to install the solar-powered village sheep station network. Pray for wisdom & creativity as we develop and customise the system to meet their unique needs.</p>	<p>2 Alex Weir asks for prayer for the Lord to provide an engineer to draw up the structural plans for a major remodel job on a clinic located in a Zone 4 earthquake area in Central Asia.</p>	<p>3 We rejoice that radio training videos produced by RB NZ over five years ago, are again being used by RB offices and overseas ministry partners. Pray wisdom and creativity as we create new videos on request for our partners.</p>	<p>4 We thank God for listeners responding to Wandering Sheep Radio, based in NZ. Pray for wisdom as we respond to each contact, or forward them on to someone from their language group.</p>	<p>5 Today, please pray for all the RB NZ team Margaret, Abbey, Jeremy, James, Bob, Russell and their loved ones, that they would all be protected from contracting Covid-19.</p>
<p>6 Indonesia has been hit with high Covid rates... and a myriad of false information. Pray our Indonesian radio partner can continue to broadcast correct information, good advice and the hope of Jesus.</p>	<p>7 Pray for Dale Stagg and the team at Reach Beyond in Melbourne, operating in lockdown conditions with staff and volunteers working mainly from home. Pray for safety as they all go about their designated tasks.</p>	<p>8 Jeremy Nixon asks for prayer that the Lord would send more skilled people to help with RB NZ's I.T. outreach projects, especially during times when there are several large projects happening.</p>	<p>9 Pray for Abbey Grainger as she develops an idea to promote missions to young people, through short videos on the Internet. Pray for creativity and wisdom for both <i>what</i> to say and <i>how</i> to present it.</p>	<p>10 The varied work of RB NZ operates on prayer and partnership. Join with us in asking the Lord to bring on board more people who love the ministry, and want to get behind it - prayerfully and financially.</p>	<p>11 Reach Beyond works alongside ministries of many different ethnicities. Pray for sensitivity as we work with these groups, that there would be great relationship, great communication, and much effective ministry.</p>	<p>12 Today we pray for Bob & Cami Arend in Tauranga. Please pray for protection for them both from Covid-19, especially as Cami works hard to keep the faith based rest home she manages Covid-free.</p>
<p>13 Pray God's blessing on RB's work with Rohingya refugees in Asia. Pray that great relationships will be built and the door will be opened for spiritual conversations to happen. Pray protection also on those serving.</p>	<p>14 The first run of the online radio course in Indonesia ends this week. Pray participants will have all tasks completed. Pray for Janice Reid as she evaluates the course and makes improvements for the next intake.</p>	<p>15 We rejoice at the completion of RB NZ's computer system rebuild. Pray a blessing on Bob & Jeremy! Pray it will serve our administrative needs as well as Internet broadcasts and publicity well into the future.</p>	<p>16 Please pray for special programmes aired on the short wave service into India & Myanmar, focusing on tips to avoid catching Covid-19, along with a reminder of God's love and that He is in control.</p>		<p>Reach Beyond Australia CEO Dale Stagg addressing supporters in a video recorded in the Melbourne studios, to assure everyone that broadcasts are continuing, despite a severe lockdown in Victoria. See September 7th.</p>	

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	
 <p>TORONA KI KŌATU</p>			<p>Contact Reach Beyond New Zealand</p> <p>Mail: PO Box 97-610, Manukau City 2241</p> <p>Phone: 0800-REACH-1 (0800-732-241)</p> <p>Email: office@reachbeyond.nz</p> <p>Web: www.reachbeyond.nz</p> <p>Facebook: reachbeyondnz</p>		<p>17 Today let's pray wisdom for the RB NZ board, as they collectively seek guidance and direction for the ministry - especially in this challenging time: Frank Visser, Bob Arend, Russell Grainger & Roger Jensen.</p>	<p>18 Even though Central Asia has been hit very hard by Covid-19 (with stretched medical resources), we praise God that this has opened doors to new areas of ministry. Please continue to pray for our team there.</p>	<p>19 Pray for Jonas, Ken, Shelley and Ian at RB Australia as they work on the new short wave broadcast schedule starting 25th October. Please pray for God's direction and clarity of thought as they handle this crucial task.</p>
<p>20 James Totton gives thanks that he has completed the first draft of training materials for the Radio as Mission 2021 internship. Pray God's leading for other avenues, as open borders by May is still an uncertainty.</p>	<p>21 Margaret Thatcher is encouraged by the responses, as she connects with Reach Beyond supporters. Pray strength as she hears where people are at, and shares her passion for the ministry of RB NZ.</p>	<p>22 Continue to pray for the wireless sheep station devices sent from NZ for villages in Ghana. Pray swift installation, and that they would work well and become popular with locals.</p>	<p>23 Pray people worried about C-19 would 'chance upon' broadcasts by RB and its partners. Pray they would hear just the right message God has for them. Pray wisdom for those choosing broadcast content.</p>	<p>24 Pray as RB NZ works to complete a small booklet for long-time supporters, that clarifies the link between HCJB and Reach Beyond. Pray this will help reconnect many with our ministry, and our vision.</p>	<p>25 Please pray for strength for Jeremy Nixon in NZ, as he serves with RB in Tauranga. Pray wisdom as he balances essential missions media tasks with times of rest - Jeremy is recovering from the effects of M.E.</p>	<p>26 We thank God for the DXers (SW radio enthusiasts) who listen to our broadcasts and send technical and reception reports to RB AU. Pray as they listen, God would speak to them through the programmes.</p>	
<p>27 We continue to pray today for RB Australia's short wave facility at Kununurra. Pray broadcasts would continue without problem, and all on-site work can get done, despite lower numbers of volunteers, due to travel restrictions.</p>	<p>28 We praise God for the positive responses to short audio messages accessible on mobile phones in India, using WhatsApp. Pray that many more will hear and respond. This is a partnership between RB AU and Christianity Works.</p>	<p>29 Pray for our Asia-Pacific office: the Balzers dealing with the loss of daughter Thizbe; nurse Hannah awaiting a visa to continue serving the Rohingya people; health & strength for Janice Reid; blessings for the King family.</p>	<p>30 Pray for RB's Global Leadership Team (GLT), which includes NZ CEO Russell, as they look at increased international co-operation between world offices on ministry projects.</p>			<p>A sign of the times! An announcer from an Indonesian radio station wearing a mask in the studio. See September 6th.</p>
